Inaugural STM Trip:

Join us as we lead our 1st STM team to Belize!

Join us as we serve alongside Thirst Missions.

Thirst Missions has been serving in Belize since 2008. With approx. 43% of the population living below the poverty line, our STM team can make an impact to our brothers and sisters in Belize. With English as the official language, this will make it easier for the OHC team to develop relationships and have an effective ministry.

Belize is a beautiful country in Central America, a safe and democratic country. Come experience God's beautiful creation in Belize, known for its rainforests, Mayan ruins, and the longest barrier reef in the Western Hemisphere.

This OHC STM team is for medical professionals and adults who will serve alongside Thirst Missions, our local partner in Belize. Over 7 days, our team will serve with medical and children's ministry at several villages organized by Thirst Missions.
